

CERTIFICATE OF PRESENTATION

This is to certify that

Scott Simpson

presented a paper titled

DFT studies of N-heterocyclic carbenes absorbed to single atom alloys: Possible hydrogen storage pathways

at

ACS Fall 2024

Denver, Colorado & Hybrid

August 18 - 22, 2024

Liz Huh

Sr. Director, Meetings and Events

Program Area: Division of Colloid and Surface Chemistry

Session Type: Poster - In-person

Abstract Number: 4077835
