Hi everyone,

We are excited to invite everyone to join our Hyper REAL guest lecture tomorrow, November 21st from 12:30 to 1:30 pm EST. We will be joined by **Biayna Bogosian** - Assistant Professor of Socially Engaged Design, with joint appointments in the Arizona State University (ASU) Design School and the School for the Future of Innovation in Society in the College of Global Futures. Her academic and professional background has enabled her to move across and connect disciplines and various scales of design. Bogosian's lab at ASU's Media and Immersive eXperience (MIX) Center integrates architectural technology, spatial media, and immersive learning. Through her research, Biayna aims to develop participatory approaches that improve the built ...[more](#)
