

## Correction to “Angle- and Momentum-Resolved Photoelectron Velocity Map Imaging Studies of Thin Au Film and Single Supported Au Nanoshells”

Jacob Pettine, Andrej Grubisic, and David J. Nesbitt\*

*J. Phys. Chem. C* 2018, 122 (7), 3970–3984. DOI: [10.1021/acs.jpcc.7b10846](https://doi.org/10.1021/acs.jpcc.7b10846)

The grant numbers in the acknowledgment were incorrectly listed in the original document. The corrected acknowledgment should read as follows below.

### ■ ACKNOWLEDGMENTS

This work has been supported by the Air Force Office of Scientific Research (FA9550-15-1-0090), with additional funds for vacuum equipment and lasers provided by the National Science Foundation (CHE-1665271, PHY-1734006).
