

## Correction to “Polarization-Controlled Directional Multiphoton Photoemission from Hot Spots on Single Au Nanoshells”

Jacob Pettine, Andrej Grubisic, and David J Nesbitt\*

*J. Phys. Chem. C* **2018**, 122 (26), 14805–14813. DOI: [10.1021/acs.jpcc.8b03402](https://doi.org/10.1021/acs.jpcc.8b03402)

The grant numbers in the acknowledgment were incorrectly listed in the original document. The corrected acknowledgment should read as follows below.

### ■ ACKNOWLEDGMENTS

This work has been supported by the Air Force Office of Scientific Research (FA9550-15-1-0090), with additional funds for vacuum equipment and lasers provided by the National Science Foundation (CHE-1665271, PHY 1734006).
